# WORKPLACE GIVING

## WHY GIVE?

Simple. Your gift makes your community and your world a better place. Your gift is needed now more than ever. Thank you for participating and thank you for your generous gift.

### WHY GIVE THROUGH YOUR WORKPLACE CAMPAIGN?

Workplace campaigns are a very efficient form of non-profit fundraising. They are a proven cost-effective alternative to direct mail, telemarketing, annual fundraising drives and special event marketing.

### WHY GIVE THROUGH PAYROLL DEDUCTION?

This is the most efficient way to give. All donations are centrally processed and distributed directly to your charity of choice. It's easy for the donor and easy for the charity. Donors can give more because the donation is spread over the year. Charities benefit because payroll deduction ensures a consistent and reliable stream of income to the charities throughout the year.

### WHY DONATE THROUGH A FEDERATION?

Federations provide an important service to non-profit organizations. They screen charities for the highest public accountability and standards. By combining services under a federation umbrella, charities consolidate their marketing, fundraising and processing expenses, and reduce their costs.

### WHY ARE THERE ADMINISTRATIVE FEES?

All charities listing with a federation are in agreement with these fees because they are represented in your workplace campaign. Your campaign effectively allows federations to garner donations charities would not be able to receive otherwise. Federations are non-profit organizations as well and rely on these fees to continue providing workplace giving donation opportunities to charities.

### COMMUNITY HEALTH CHARITIES OF CALIFORNIA

(925) 947-5771  
Charity Code: C-99

Community Health Charities of California (CHCC) is the largest organization in the country raising money to specifically fund health charities. We support 45 non-profit health charities fighting life-threatening illness and disease while improving the quality of life for patients and families. These charities provide patient services, education and research. Contributions assist work with hospice programs, Alzheimer's, cancer, AIDS, Parkinson's, multiple sclerosis, cystic fibrosis, and others.

- Choice:** You can donate to any CHCC member charity or select any tax-exempt 501(c)3 group.
- Community:** Your donations go to the nearest local branch of your charity, and goes to work in your community.
- Convenience:** Payroll deduction is easy for you and continues to send your support to your selected charity year round.

The need is urgent. 125 million Americans face life-threatening health conditions, disability or chronic disease. One in four adults provide care for a chronically ill relative or friend. CHCC partners with your workplace to provide all employees the opportunity and convenience of donating through payroll deduction to the charity of your choice.
